With twenty-one years' experience in the investment bond business, Raymond uses his experience in this study to demonstrate the key issues related to state, county, municipal and district bonds through the use of the most recent data of the time. Originally published in 1923, this version was republished in 1936 to ensure that all figures and arguments were up-to-date. This title will be of interest to students of Business, Economics and Finance.

The Fund seeks current income exempt from regular Federal income tax as well as New York State and New York.
