Designed for a new generation of learners Skills for Success teaches students the way they prefer to learn software-instead of reading big blocks of text, they'd rather see and do. Using the hallmark visual layout, students complete an entire skill in just two pages. Step-by-step instructions are aligned with full size screens image to guide students as they progress through each new skill. No matter what device they are using-desktop or tablet-or their current skill level, students will learn what they need to get started quickly.
