The Essentials of Human Resources Leadership in Education centers on the essential human resources skills and knowledge that superintendents, assistant superintendents, directors of human resources, principals, and other administrators need in order to effectively implement strategies and policies related to staff management.

Clearly organized so that it can be utilized as a quick reference guide after it has been read, this book focuses on human resources planning, recruitment of staff, selection of staff, the placement and induction of staff, staff development, performance evaluation of staff, compensation analysis and planning, and the collective negotiations process.
