The seventeenth edition of Party Politics in America continues the comprehensive and authoritative coverage of political parties for which it is known while expanding and updating the treatment of key related topics including interest groups and elections. Marjorie Hershey builds on the book's three-pronged coverage of party organization, party in the electorate, and party in government and integrates contemporary examples-such as campaign finance reform, party polarization, and social media-to bring to life the fascinating story of how parties shape our political system. New to the 17th Edition * Fully updated through the 2016 election, including changes in virtually all of the boxed materials, the chapter openings, and the data presented.

* Explores increasing partisan hostility, the status of voter ID laws and other efforts to affect voter turnout, young voters' attitudes and participation, and the role of big givers such as the energy billionaire Koch brothers in the 2016 campaigns. * Critically examines the idea that Super PACs are replacing, or can replace, the party organizations in running campaigns.

* New and expanded online Instructor's Resources, including author-written test banks, essay questions, relevant websites with correlated sample assignments, the book's appendix, and links to a collection of course syllabi.

British politics since 1945 Oppgaven handler om det som skjedde med Storbritannia etter 1945, The end of empire, the economy, Building a welfare state, The Thatcher. Den ubestemte artikkelen er a foran konsonantlyder, an foran vokallyder: a book, a computer, a year, an egg, an hour, an honest man. I motsetning til norsk bruker. British politics since 1945 Oppgaven handler om det som skjedde med Storbritannia etter 1945, The end of empire, the economy, Building a welfare state, The Thatcher.
