Controversial and sexually charged, *The Taming of the Shrew* is possibly William Shakespeare's first play, and certainly among the most performed. Petruchio's courtship of the unwilling 'shrew' Katherina poses the question: is it an examination of brute male domination or a passionate love story with a powerful moral message? To read it is to gain unique insight into a portrait of a marriage as created by a true master. This Macmillan Collector's Library edition is illustrated throughout by renowned artist Sir John Gilbert (1817-1897), and includes an introduction by Ned Halley. Designed to appeal to the booklover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure.
