Review Questions for Dentistry is an essential exam practice tool designed for undergraduate dentistry students, postgraduate MJDF candidates, and overseas candidates sitting their OREs. Using the questions as a platform for learning consolidation, this exam preparation guide provides feedback to students to enable them to assess their knowledge and understanding of the subject.

\* Features multiple question formats including MCQs, EMQs, SAQs and find the missing word questions \* Answers include detailed explanations to help expand and consolidate learning \* The text is divided into two sections introductory questions and questions exploring the subjects in more detail \* The book is accompanied by a companion website offering further interactive self-assessment tools

Altfor få leger, tannleger og psykologer kan tale hypnosens sak overfor myndigheter. Dette kan ha betydning for kommende endringer i norsk lovgivning.
